## ABOUT ME

I'm a 20 year old (25-09-2001, Porto) software engineering student at Universidade do Minho in Braga, Portugal.  
Currently, I'm on the third year of my bachelors degree, but I'm planning on getting a master's degree after I finish my graduation.  
I'm looking for an internship for the 2022 summer in order to get some experience in the world of development and learn new things.

## EXPERIENCE

📅 2015 - 2022 (part time)  
📍 Associação de Futebol de Viana do Castelo  
Football Referee  
Developed soft skills and learned to deal with pressure while doing my job.

📅 2020 - 2021 (summer part time)  
📍 Poço Bar  
V.N. Cerveira  
Waiter  
Worked with clients of all kind and dealt with pressure to execute my work in the fastest time possible.

📅 jul 2019 - set 2019 (summer part time)  
📍 Aquamuseu do Rio Minho  
V.N. Cerveira  
Receptionist  
Worked with clients of all kind, organized the museum bibliography and created a file on Excel to control the work flow and prices.
